

# Ranch Rain Prep Day!

Huufprints Riding, Therapy and Rescue is a non-profit horse rescue in Poway that needs help preparing their ranch for the rainy season. We don't want the horses to get hoof rot from standing in mud. Some tasks will be clearing and leveling the ground, assembling the rain shelter, and caring for the horses to keep them calm.

We are organizing a "Get Ready For the Rain" day on **November 23, 2019** from **12:00pm to 2:00pm**. Volunteers must be 12+ yrs old to help with this Silver Award project.

If you have any questions or to RSVP, please text us at **858-336-7124**. Space is limited to six volunteers. The ranch is at 13937 Chancellor Way Poway CA 92064

If you would like to bring something for the horses, these following items would be deeply appreciated.  
From Costco: Bags of Rags, Chia Seeds.

From Elston's: Brushes, Hoof picks, Poop Rakes.

From Amazon: Frontier Co-op Rosehips Powder, Animal Legends Flicks Horse Spray Refill.

Make sure to wear boots and clothes that you can get dirty in. Work gloves are recommended. We will provide drinks and snacks.

Hope you can come!
